Sir:

This communication is responsive to the Patent Office Communication mailed July 12, 2002 (Paper No. 11) in the above-referenced application. The Communication indicated that applicant's communication filed March 12, 2002 (mailed March 6, 2002) was received by the Office, but the diskette containing the computer readable form (CRF) of the Sequence Listing had been misplaced by the Office. The Communication requested another response as set forth on the Notice to Comply with the Sequence Rules.

The Office's Communication further indicated that the above-referenced application would become abandoned if a complete response was not submitted by the time the shortened statutory period for response had expired and an extension of time under 37 CFR §1.136 was obtained.

The present communication includes:

- 1) a CRF in CD-ROM format of the Sequence Listing;
- 2) a substitute paper copy of the Sequence Listing; and
- 3) a statement that the content of the paper and the computer-readable copies are the same and contain no new matter, as required under 37 CFR §1.821

Because applicant's prior response was fully responsive, no additional extension of time is believed to be required. However, should the Commissioner determine that such an extension of time is required, applicant's hereby petition for such an extension of time and authorize the
